DO NOT return this form until practice groups have been assigned

All Fees are listed as monthly (with a discounted "paid in full" amount). **Each family will complete this form AFTER the swimmers are placed into practice groups.** These placements will occur on Monday, August 24, 2009. **After practice groups have been assigned (8/24/09), you will receive a payment invoice for your amount due. You may drop off your payments at the YMCA on Wednesday-Thursday, August 26-27 from 6:30-8pm** or you may mail this information to the YMCA. No swimmer may begin to practice without all paperwork complete. We will also need a voided check or credit card authorization form filled out for your monthly payments, unless you wish to pay your fees in full. All fees must be paid either "in-full" or by monthly draft. No family will be permitted to register if you have an outstanding escrow account balance from last year or Summer 2009

***The **High School Rate** is for High School swimmers that will practice 90% of the High School Season (November 17-February 12, 2010) with their High School team. There is not a separate practice group for this level. This is for financial purposes. *Athletes selecting this payment plan would have an opportunity to attend WSY practices on average of one day per week, plus meets between November 17, 2009-February 12, 2010)*

Family Administrative. Each family within the team will be required to pay a Team Administrative Fee. This fee must be paid with your registration form. We use the Team Administrative Fee for social functions, printing and publications, end of year banquet, ribbons for meets, coaches travel, equipment purchases, and other monthly costs. There is a Winter Team Administrative Fee and a Summer Team Administrative Fee. The Summer Team Administrative Fee is waived to all swimmers that participate with our team "year-round". If you only swim over the Summer months, or join the team in the Summer, your Summer Team Administrative Fee will be 50% of the previous Team Administrative Fee.

Escrow Accounts - All competitive swimmers in the program must have an escrow account. A minimum deposit of \$50 is due at the time you register, unless you have a positive balance when you register. Further escrow account payments should be placed in the pool box at the YMCA. Deductions from escrow include invitational entry fees, concession stand assessments, social events fees, and swim shop purchases.

YMCA Membership - All swimmers (other than *Pre-Competitive Swimmers*) in the program must possess a current (Youth or Teen) YMCA membership. Your membership fee must be paid at the membership office prior to your swim team registration fee.

DISCOUNTS: Additional family member - 5% reduction fee for second child, 10% discount for 3rd, 4th, etc.

Financial Aid is available for all who qualify. Please see Michael Gobrecht for the Financial Aid information
